EDUCATION

Bachelor Of Engineering Jadavpur University-Kolkata

08/2020- Present

8.7 CGPA

Higher Secondary School St.Anthony's Convent School

2017 - 2018

88.4%

Secondary School Sunrise English School

2007 - 2017

88.9%

PERSONAL PROJECTS

1) Blockchain

- A simple chain of endless blocks, each having a unique address to store immutable data related to a simple cryptocurrency.
- Technologies Used - JavaScript and NodeJS.

2) File Sharing App

- An excellent file-sharing app similar to Google Drive that allows you to share your files with whosoever you want. You can upload any file from your computer and the app generates a link that can be used to download the file and that link can be sent to another person using his email address. It is a full-stack development project.
- Technologies Used - HTML, CSS, JavaScript, NodeJS, MongoDB and Express.
